Want to hear your thoughts on two quick questions!

A Zoom Polls pop-up will appear for each:

- Take a couple of minutes and submit your answer through the poll.
- We will have a quick discussion after each poll.

Ready?

# Warm-Up

## Question 1

- With the colder months coming, what challenges do you anticipate the Disability community will face while traveling?

# Warm-Up

## Question 2

- What's one word that expresses your vision for a stronger relationship between municipalities and the disability community?

# Collaboration opportunities

# Collaboration Opportunities

Together, we will explore ways that the ADA coordinators can better collaborate with the disability community.

In breakout groups, identify challenges, considerations, and collaboration opportunities in the following areas:

- Community Engagement
- Physical Accessibility
- Resource Opportunities

# Wrap-Up

What are the main takeaways and insights from the conversation today?

Any final thoughts from the breakout groups?
