

CMAP FFY 2024 Annual Obligation Report

As required by 23 CFR 450.334, this report provides a listing of projects for which federal funds were obligated within the federal fiscal year. Federal Fiscal Year (FFY) 2024 began on October 1, 2023 and concluded on September 30, 2024.

How to read this report

FFY 2024 FHWA Obligations

This table includes all federal funds obligated by FHWA in the CMAP region in FFY 2024 (October 1, 2023 - September 30, 2024). This table does not include de-obligated (negative) funds.

TIP ID	Project Title	Project Description	Project Type	Project Scope (Work Types)	Programming Agency	Location: County	Location: Municipality	Federal Project	State Job	Federal Program Code	Obligated Amount	Includes Bike/Ped Elements	Includes ADA Elements	Includes Safety Elements
01-03-0002	Stony Island Ave Interconnect	Signal Interconnect project, Stony Island Ave from 69th St to 95th St. Includes the intersections at Cornell Dr & 57th Dr.	Signal Systems	S-TIM	CDOT	COOK	CHICAGO	6000213	P-88-062-06	Z400	\$8,037	No	No	No

A. TIP ID - The unique CMAP project identifier

B. Project Title - The title of the project in the CMAP TIP

C. Project Description - The description of the project in the CMAP TIP

D. Project Type - The overarching type of project, as indicated by the project programmer

E. Project Scope (Work Types) - The type(s) of work selected by the project programmer to indicate more detailed project scope. An alphabetical listing of all CMAP work types is available at: <https://cmap.illinois.gov/funding-assistance/transportation-improvement-program/tip-programmer-resources/#TIP-guidance>

F. Programming Agency - The agency responsible for programming funding within the CMAP TIP. Programming agencies are also the project sponsor/implementer except for municipal projects, which are programmed by subregional councils of mayors.

G. Location: County - The county or counties in which the project is located

H. Location: Municipality - The municipality or municipalities in which the project is located

I. Federal Project - The unique federal project identifier for individual phases of a project

J. State Job - The unique state identifier for individual phases of a project

K. Federal Program Code - The federal fund code of the obligated funds

L. Obligated Amount - The amount of federal funds obligated for the line item in FFY 2024

M. Includes Bike/Ped Elements - Indicates if the project scope includes elements to improve bicycle and/or pedestrian facilities

N. Includes ADA Elements - Indicates if the project scope includes elements to add or improve access for disabled persons

O. Includes Safety Elements - Indicates if the project scope includes elements to enhance safety for any facility user, regardless of mode

FFY 2024 Advance Construction Authorizations

This table includes the amount of federal funds authorized by FHWA in the CMAP region using Advance Construction (AC) in FFY 2024 (October 1, 2023 - September 30, 2024). Advance construction is a technique that allows the state DOT to initiate a project using non-federal funds while preserving eligibility for a future federal

TIP ID	Project Title	Project Description	Project Type	Project Scope (Work Types)	Programming Agency	Location: County	Location: Municipality	Federal Project(s)	Programmed Fund Source(s)	2024 AC Authorization	Includes Bike/Ped Elements	Includes ADA Elements	Includes Safety Elements
01-06-0054	Archer Ave at BRC RR (GS-09)	CREATE GS-09	Rail-Highway Grade Separation	H-RRGS	CDOT	COOK	CHICAGO	7MCE139	INFRA, STP - Shared Fund	\$7,850,000	No	No	No

A. TIP ID - The unique CMAP project identifier

B. Project Title - The title of the project in the CMAP TIP

C. Project Description - The description of the project in the CMAP TIP

D. Project Type - The overarching type of project, as indicated by the project programmer

E. Project Scope (Work Types) - The type(s) of work selected by the project programmer to indicate more detailed project scope. An alphabetical listing of all CMAP work types is available at: <https://cmap.illinois.gov/funding-assistance/transportation-improvement-program/tip-programmer-resources/#TIP-guidance>

F. Programming Agency - The agency responsible for programming funding within the CMAP TIP. Programming agencies are also the project sponsor/implementer except for municipal projects, which are programmed by subregional councils of mayors.

G. Location: County - The county or counties in which the project is located

H. Location: Municipality - The municipality or municipalities in which the project is located

I. Federal Project - The unique federal project identifier for individual phases of a project

J. Programmed Fund Source - The source of funding requested via the CMAP TIP. A description of fund sources is available at: <https://cmap.illinois.gov/funding-assistance/transportation-improvement-program/tip-programmer-resources/#TIP-guidance>

K. FFY 2024 AC - The amount of federal funding authorized by FHWA in FFY 2024

L. Includes Bike/Ped Elements - Indicates if the project scope includes elements to improve bicycle and/or pedestrian facilities

M. Includes ADA Elements - Indicates if the project scope includes elements to add or improve access for disabled persons

N. Includes Safety Elements - Indicates if the project scope includes elements to enhance safety for any facility user, regardless of mode

FFY 2024 FTA Obligations

This table includes the federal funds included in FTA grants awarded within FFY2024.

TIP ID	Project Title	Project Description	Project Type	Project Scope (Work Types)	Programming Agency	Location/Line	FTA Project #	Federal Fund	\$ Obligated: Federal	Match: Local	TDC included in obligation
16-02-0004	141.273 Reconstruct Rail Stations	Rail Station Improvements	Guideway Improvements	R-MAINT	CTA	Systemwide	IL-2024-031-02-00	5337	\$3,000,000	\$0	\$0

A. TIP ID - The unique CMAP project identifier

B. Project Title - The title of the project in the CMAP TIP

C. Project Description - The description of the project in TrAMS

D. Project Type - The overarching type of project, as indicated by the project programmer in the CMAP TIP

E. Project Scope (Work Types) - The type(s) of work selected by the project programmer to indicate more detailed project scope. An alphabetical listing of all CMAP work types is available at: <https://cmap.illinois.gov/funding-assistance/transportation-improvement-program/tip-programmer-resources/#TIP-guidance>

F. Programming Agency - The agency responsible for programming funding within the CMAP TIP. Programming agencies are also the project sponsor/implementer except for municipal projects, which are programmed by subregional councils of mayors.

G. Location/Line: County - The location or transit line on which the project is located

H. FTA Project # - The FTA federal project identifier (grant number)

I. Federal Fund - The fund source included in the FTA grant.

J. Federal \$ Obligated - The amount of federal funding included in the FTA grant in FFY 2024

L. Match - The amount of non-federal matching funds provided.

M. TDC included in obligation: The amount of Transportation Development Credits (TDC) utilized in lieu of match that are included in the federal obligation amount.
