

## CMAP FFY 2025 Annual Obligation Report

As required by 23 CFR 450.334, this report provides a listing of projects for which federal funds were obligated within the federal fiscal year. Federal Fiscal Year (FFY) 2025 began on October 1, 2024 and concluded on September 30, 2025.

### How to read this report

#### FFY 2025 FHWA Obligations

This table includes all federal funds obligated by FHWA in the CMAP region in FFY 2025 (October 1, 2024 - September 30, 2025). This table does not include de-obligated (negative) funds or obligations of less than \$1.00.

TIP ID	Project Title	Project Description	Project Type	Project Scope (Work Types)	Programming Agency	Location: County	Location: Municipality	Federal Project	State Job	Federal Program Code	Obligated Amount	Includes Bike/Ped Elements	Includes ADA Elements	Includes Safety Elements
01-03-0002	Stony Island Ave Interconnect	Signal Interconnect project, Stony Island Ave from 69th St to 95th St. Includes the intersections at Cornell Dr & 57th Dr.	Signal Systems	S-TIM	CDOT	COOK	CHICAGO	6000213	P-88-062-06	Z400	\$8,037	No	No	No

- A. TIP ID - The unique CMAP project identifier
- B. Project Title - The title of the project in the CMAP TIP
- C. Project Description - The description of the project in the CMAP TIP
- D. Project Type - The overarching type of project, as indicated by the project programmer
- E. Project Scope (Work Types) - The type(s) of work selected by the project programmer to indicate more detailed project scope. An alphabetical listing of all CMAP work types is available at: <https://cmap.illinois.gov/funding-assistance/transportation-improvement-program/tip-programmer-resources/#TIP-guidance>
- F. Programming Agency - The agency responsible for programming funding within the CMAP TIP. Programming agencies are also the project sponsor/implementer except for municipal projects, which are programmed by subregional councils of mayors
- G. Location: County - The county or counties in which the project is located
- H. Location: Municipality - The municipality or municipalities in which the project is located
- I. Federal Project - The unique federal project identifier for individual phases of a project
- J. State Job - The unique state identifier for individual phases of a project
- K. Federal Program Code - The federal fund code of the obligated funds
- L. Obligated Amount - The amount of federal funds obligated for the line item in FFY 2025
- M. Includes Bike/Ped Elements - Indicates if the project scope includes elements to improve bicycle and/or pedestrian facilities
- N. Includes ADA Elements - Indicates if the project scope includes elements to add or improve access for disabled persons
- O. Includes Safety Elements - Indicates if the project scope includes elements to enhance safety for any facility user, regardless of mode

#### FFY 2025 Advance Construction Authorizations

This table includes the amount of federal funds authorized by FHWA in the CMAP region using Advance Construction (AC) in FFY 2025 (October 1, 2024 - September 30, 2025). Advance construction is a technique that allows the state DOT to initiate a project using non-federal funds while preserving eligibility for a future federal obligation. AC authorizations that were converted to obligations are included in the FFY 2025 FHWA Obligations section of this report.
