#### 1.0 Welcome and announcements

#### 2.0 Agency updates

Open discussion among TTOC members regarding current work projects, topics of interest for upcoming meetings, etc.

#### 3.0 CMAP announcements

#### 4.0 Regional ITS Architecture update

PURPOSE & ACTION: CMAP recently contracted with AECOM to update the Regional ITS Architecture. During the last TTOC meeting in November, the consultant team provided an overview of the work to be performed and solicited project-level information from members of the group. Following that meeting, stakeholder interviews were held with selected agencies to gather more detailed information. The consultant has integrated this information into the Architecture and will provide a project status update to the group.

#### 5.0 Emerging Technology Policy Brief update

PURPOSE & ACTION: In support of the development of the 2026 Regional Transportation Plan, CMAP developed a series of policy briefs on priority transportation topics. Cempel ITC will provide an update on the completed Emerging Technologies policy brief, with a focus on key findings and opportunities for implementation in the region.
