1.0 Welcome and announcements

2.0 Agency updates

Open discussion among TTOC members regarding current work projects, topics of interest for upcoming meetings, etc.

3.0 CMAP announcements

4.0 Regional ITS Architecture update

CMAP recently contracted with AECOM to update the Regional ITS Architecture. The regional architecture is a federally required roadmap for transportation systems integration across the seven-county Chicago Metropolitan Area and captures a broad spectrum of ITS elements. Staff from CMAP and AECOM will introduce the architecture, and TTOC members will have the opportunity to discuss changes to projects currently included in the current version of the architecture as well as new projects to be added to the architecture.
