1.0 Welcome and announcements

2.0 Agency updates

Open discussion among TTOC members regarding current work projects, topics of interest for upcoming meetings, etc.

3.0 2026 Regional Transportation Plan

The Chicago Metropolitan Agency for Planning (CMAP) Board and MPO Policy Committee recently adopted the [2026 Regional Transportation Plan \(RTP\)](http://cmap.illinois.gov/regional-plan/regional-transportation-plan/) [<http://cmap.illinois.gov/regional-plan/regional-transportation-plan/>](http://cmap.illinois.gov/regional-plan/regional-transportation-plan/), northeastern Illinois' long-range plan to guide transportation investments and improvements through 2050. Created in partnership with local governments, transportation agencies, community organizations, and residents across northeastern Illinois, the RTP defines shared goals and strategies for a more connected, reliable, and accessible system. CMAP staff will provide an overview of the RTP with an emphasis on elements relating to transportation operations.

4.0 Regional ITS Architecture update

CMAP, in partnership with AECOM, recently completed a comprehensive update of the Regional ITS Architecture. CMAP staff will provide a summary of the update process, including major additions and updates to the Architecture.

5.0 West Side Arterial Network Planning - Cook-DuPage

Jessie Carroll from CDM Smith will provide an overview of existing operations and synthesis of planned and programmed route improvements that span west from Cook County into DuPage County.
